# LEON HAFNER

## FRONT-END WEB-DEVELOPER

## EDUCATION

### Computer Science Expert Software Development

Chamber of Commerce and Industry (IHK) Munich

## TRAINING

### Berufsschule Ingolstadt 2017 - 2020

Ingolstadt, Germany

Training took 3 years through corona pandemic, but since the second year of the apprenticeship, the work activity has already changed to work as fully trained full stack developer in projects for corporate clients.

## WORK EXPERIENCE

### Prosis GmbH Full stack developer

August 2020 - September 2021 / Remote

I got trained as a full stack developer with the focus on front-end web development.

My skills are JavaScript (ES6, Redux), HTML/XML, CSS, Java, SQL, Typescript, Building APIs, MySQL, Selenium, GraphQL.

My primary frameworks for developing web development are: React, Vue, JSF, Spring, JPA / Hibernate and, as a database management system, Oracle or PostgreSQL and NoSQL.

### Self developing and educating in web developments as a freelancer since 10/2021

Self educating in web developing. Creating Websites with 3<sup>rd</sup> party software like Wordpress.
